## Prayer Update: November/December 2020

Thank you for joining us for our final prayer newsletter of 2020! November and December saw the highs and lows of the pandemic as the spread of Covid-19 in Michigan increased, and our planned events decreased. However, we kept pressing on with virtual Kids and Adults Christmas Programs and finished up some very important outreaches to our community! Read on to learn more about what God has been doing in and through our church plant!

## Mason Schools Outreaches: School Supplies and Hats, Scarves, and Mittens Drives

Throughout the year we have sought to serve our community in tangible ways that would facilitate developing relationships and establishing trust. We took up donations of school supplies and our teachers were thrilled to receive needed help during this difficult time. Similarly, we also collected hats, scarves, and mittens for the cold Michigan winter. As you can see in the "Thank You" cards, our school teachers were blown away with the support.

Please continue to pray that these connections with our local schools would develop into Gospel conversations and more opportunities to minister in Jesus name!

*Thank you notes from our Local Schools!*

## Virtual Kids & Adults Christmas Programs

As I am sure it has been for you and your church family, the pandemic has altered the landscape of our worship services, small groups, outreaches, and special gatherings. Thankfully, with technology, we have been able to be creative and celebrate the Christmas season.

Our children recorded themselves on a Zoom call in a video entitled: How the Covid Stole Christmas! Last night we Live Streamed a virtual Christmas Musical Celebration. It was not the same, but we are so thankful we could offer something for our folks to enjoy at the end of this long and difficult year.

Thank you for your prayers and support! WE love you!!!

**Merry Christmas**  
**from the Kent's!**

### Prayer Requests...

> **Church Planting:** I am thrilled to announce I just completed training to help more church planters launch churches in Michigan! Please pray for the next Cohort which begins in January 2021!

> **New Ministry Partners:** Would you please pray for the following?

1. **Individual Monthly Support:** Would your prayerfully consider a monthly -or- one-time gift of anything from \$5 to \$50 to \$500? These tax-deductible gifts will enable me to be a fully funded Church planting missionary.
2. **Church/Group Partners:** Would you prayerfully consider introducing me to your Pastor, Mission Committee, or other group for a potential partnership? I am happy to come and speak and share our vision!
3. **Prayer Partners:** Keep praying please – and - would you ask your friends, family, and/or church group to join our prayer team?

Please email [bkent@compasschristians.com](mailto:bkent@compasschristians.com) with any questions, to join the financial support team, to connect me with your church or organization, or add any prayer partners.

Thank you!!!

Bryan
