

Compass Church Planting Network: Greater Lansing

Prayer Update: 1st Quarter 2021

Welcome back everyone! It has been an exciting quarter for our church plant, and we are excited for our Easter service next week! God has blessed us with 2 Salvations, a new website, training for church planting, and another outreach to our local school system.

SEND Network Gathering

A group of 9 Compass Church plant folks descended upon Detroit last week for the SEND Network Gathering. We were blessed with some much needed fellowship, encouragement, and equipping after a long winter and battling the starts and stops of Covid-19 on our worship services.

We were blessed to hear from Pastors, Church Planters, and Missionaries regarding the great need for bringing restoration ministries to our communities, the value of family, and the need for multiplication of the Gospel through evangelism and church planting.

SEND Network Gathering: Our Church planting candidates (Dale & Sara Frye) and 6 Core Team members recently attended The Gathering in Detroit!

2 Salvations!
Please pray for these young men!

I am so blessed to report that we have seen 2 Salvations recently. I'll hold off on the names for now, as we are working with these two young men and will be prayerfully celebrating baptisms at some point soon. God knows their names though, so please pray for them!

Spring Sermon Series: Encouragement and The Book of Ephesians

We kicked off the new year with our "Encourage One Another" series from Hebrews 3:12-15. The goal was to bring much needed uplifting after a long 2020. We focused on the Biblical aspects of encouragement and we recite the passage congregationally weekly to remind ourselves of the need to lift one another up. We are now going through the Book of Ephesians. The series will last into the summer.

*Thank you for your prayers
and support! We love you!!!*

New Website is live!

Please visit our website to see our new evangelistic site to reach our community. We have added a section called "Stories of Hope" that feature video testimonies of God's work in the hearts of people.

Become a Ministry Partner!

We are so excited to announce we now have

ONLINE GIVING!

Simply click this link:

<https://compasschristians.com/give-2/> and click the dropdown menu for "Church Planting Network."

1. **Individual Monthly Support:** Would you prayerfully consider a monthly -or- one-time gift of anything from \$5 to \$50 to \$500? These tax-deductible gifts will enable me to be a fully funded Church planting missionary.
2. **Church/Group Partners:** Would you prayerfully consider introducing me to your Pastor, Mission Committee, or other group for a potential partnership? I am happy to come and speak and share our vision!
3. **Prayer Partners:** Keep praying please - and - would you ask your friends, family, and/or church group to join our prayer team?

Thank you!!!
